Project brief & Vacancy details:

ODISHA FORESTRY SECTOR DEVELOPMENT PROJECT – PHASE-II is being implemented with the loan assistance from Japan International Cooperation Agency (JICA) in 10 districts of Odisha. This project is for a period of 10 years from 2017-18 to 2026-27. The project objective is to enhance forest ecosystem along with sustainable livelihood of local people by improving sustainable forest management, sustainable biodiversity conservation and community development; thereby contributing to harmonization between environmental conservation and social economic development in the Project area in Odisha. The project is implemented in Joint Forest Management mode involving 1211 Vana Surakshya Samiti and is expected to achieve progress in Sustainable Forest Management through strengthening of these communities based institutions. The project shall also engage 3633 Women SHGs in enhancing their income through different Income Generating activities.

The project will be implemented in 14 Forest/ Wildlife divisions namely; Baripada, Rairangpur, Karanjia, Dhenkanal, Athamallik, Ghumusur (N), Ghumusur (S), Boudh, Subarnapur, Sambalpur, Jharsuguda, Sundergarh, Bamra (WL), Mangrove Forest (WL) Rajnagar. In total 50 Forest Ranges (hereinafter referred to as Field Management Unit, FMU) have been selected in 12 Forest Divisions for the implementation of project components under JFM mode.

The project emphasizes rigorous engagement with the target communities, PRIs, Other Line Departments and civil society organisations for implementation of different activities through convergence. The project components are varying and covered different aspects for implementation.

The project will address the following priority areas:

- Restoration of degraded forest and augment forest resources
- Secure sustainable forest management by improving forest administration, community organisations and capacity development of other stakeholders, Conservation and Ecosystem based management of the biodiversity and promotion of inter-sectoral convergence for holistic development of target communities.
- Improve income of the forest dependent families with targeted livelihood improvement through IGA activities.
- Technology based monitoring of the project interventions.

For the implementation of the project, the institutional structure is set up in society mode in Odisha Forestry Sector Development Society (OFSDS) with Project Management Unit (PMU) at state level headed by the Project Director. At the level of implementing forest/ wildlife divisions, Divisional Management Unit is constituted which are headed by the DFO-cum-DMU Chief. The Field Management Unit are constituted at Forest range level (50 nos.) is headed by the Range Officer-cum-FMU Chief. The project is proposed to be implemented in JFM mode with activity involvement of 1211 VSSs selected in 50 forest ranges with 12 Forest Divisions and the Biodiversity components to be implemented in 2 Wildlife Divisions.

In order to ensure effective implementation of the project and to facilitate the communities for different interventions at the community level, the following personnel are required for the beginning of the project implementation. Hence, applications are invited from suitable candidates for contractual engagement of the followings position at Division level (Divisional Management Unit) for working in Odisha Forestry Sector Development Project, Phase-II initially for one-year period and may be extended for similar periods subsequently.
